

Dear FCC,

I want the ability to watch and record television shows on any tv, vcr and pvr that I currently have without the limitations imposed by a "broadcast flag". I do not want the media, the government, Sony, Philips, TiVo or anyone else dictating what I can and cannot watch or record. In fact, this "broadcast flag" is a serious breach of the First Amendment right of freedom of speech and of the press.

If anything, the FCC should mandate a NO broadcast flag policy.
